**III- Public input-** Carrie - two weeks ago I tried to use the out house and it was playing hide and seek with me. I found it this week end and I used it. Can we have Security Gard James Huff moved over to the grandstand side, cause he talks crap! He never leaves McIntire pit. John Daut - there was an incident in the pro 4's with Reynolds and Tellstrom. Greg - at our last race Huff did stay in the McIntire pits for a long time. Carrie - can you just have him mingle a little more and not stay in one pit stall. Glenda replied yes I will have him move around more but I will not move him to the grandstand side.

#### **IV Management Reports**

**Blair Aiken** - I talked to the driver about all the favoritism, when there is none. It's an even playing field. I don't even care who wins. I don't even talk to anyone on Saturday anymore cause its not my place.

**Glenda Gilmer** – I don't have anything new to report. We have not had any new members. The 50/50 is at \$1237.50.

**Nadine Strauss** – We gave rides in Bob's Modified And Phil Carroll and Bob Rosenthol got a ride on Saturday. Glenda got a ride on her birthday. Willie West got a ride and a couple of others got rides. Everyone that did was very pleased. Bob said that if we keep the car then we might do it 1 or 2 more times next year. Handed out and went over race reports.

#### **V – Class Rep Reports**

**Modified Rep Terry McIntire** . Not in attendance

**Street Stock Rep Kevin Sabol** -Not in attendance

**Bomber Rep. George Abella** – The drivers are getting tired of the 07 Bomber winning. The tires are working out. Sally asked what is the percentage of the people getting in for free compared to the people paying to get in? Glenda replied that out of our 16 reg bombers there is about 4 that get in for free.

**Legends car Rep Fredy Champagne** – Not in attendance. Greg Theis - Fredy told me he wants to resign so we need to find someone for next year. Nadine read a letter from Fredy concerning the championship in the Legend class. Glenda - Fredy is under the assumption that the 9 car was even going to finish the race. Blair talked to Fredy and they had a discussion about Favoritism. Bob you always give the benefit to the drivers if we have time you always give them the benefit.

**Bandolero Rep. Willie West** – No report.

**Other Class Business-** Kevin Barba - The motor home jump was awesome, but his second time around he left something all over the track. Jennifer - can we set the motor home on fire. And we need to have the cars watch the foul words on the cars. Can't put any pictures of the cars in the paper. Chuck - are we going to have a Jammer class next year? Blair - that is an NCRA class and I do not want to start anything by trying to start a class over here that they made over there. Kevin - can we have sliders every week end.

**VI Old Business** The Car show was a great success.

## **VII New Business**

1. Chuck - can we have signs made to tell people about the races? He will talk to Dan Knight. We can put a sign on my building. We need someone in the pits with a whistle.
  2. General Membership Meeting September 14, 2010 Topics: 1) Bombers should have the same rule as everyone else with 1 substitute driver a season 2) What rules do they think should be changed.
  3. Blair - we should try to develop the slider class.
  4. Sally - we should try to develop a class similar to the Jammer Class
  5. Points fund – Must have competed in 50% of scheduled events to get trophy and 70% of scheduled races to get any points fund money.
  6. Muffler rule – Theresa asked if we could eliminate the rule that says if you lose a muffler you will be black-flagged. Blair said his contract says cars must run mufflers.
