III Public Input Bob – Blair, maybe in your plans you can see about adding a figure 8 track. We can turn the old modifieds and the 4 cylinder class into figure 8 cars.

Sally- Is there a rule that says you must keep your hands on the inside of the car? It was explained? No - it's just common sense.

Darrin Silva – I just wanna say I had a great weekend. Thank you.

Jennifer –The biscuits & gravy were a big success at the October race. I sold out of shirts last week end and I sold 38 programs in the pits. I am going to do a souvenir stand next year. . I am thinking about changing the program cover once a month next year.

IV Management Reports

Blair Aiken - We have a a lot of stuff to get done in a short time. Jennifer and I had a meeting with Mike Anderson and the CEO of the fairground Board, they want to do a fan appreciation night with the fairground participation. He proposed knocking out the stage to extend the track into that area. Mike Anderson got the aerial photo taken in 9/2009 to Berndt. By the 1st of the year we are hoping to be knocking out walls & ripping up asphalt. We need to get letters of intent to give to the board. I believe things are going to be happening.

I wanna thank everyone here and all those who came to the race. I believe everyone had a great time.

Rich & Linda Olson, promoters of Redwood Acres Raceway in Eureka were at the race this weekend and talked to Mike Anderson about how important it is to keep your facility up to

standards.

Nadine Strauss – The Bubba Silva Memorial race was good on car count. Fan base was not that great. Nadine passed out a copy of the program and the wrap to everyone at the meeting.

V – Class Rep Reports

Modified Rep Terry McIntire- Not in attendance.

Street Stock Rep Kevin Sabol – We will go over that in the Street Stock Meeting.

Bomber Rep. George Abella – Everyone is happy. The Ukiah bombers were disappointed that no cars from Lakeport were at the open show. The Roseville guys are very happy and they want to come back next year. Nadine thanked George for being a good rep.

Legends car Rep Freddy Champagne- not present.

Bandolero Rep. Willie West -Out in bar.

Other class Business- George – I talked to quite a few people about the 4 cylinder class. Some slider guys even said that they would like to be in that class. Everyone is happy about starting a 4 cylinder class here at Ukiah. Can we call the 4 cylinder class 4 Bangers?

He has a dozen guys who want to drive in this class. Nadine asked George to bring a list of name to the next meeting. For rules it was suggested to contact Robbie Robinson as he built the class that is running at Eureka.

Kevin Barba- The Pro -4 drivers were not aware that there was going to be a entry fee for our class. He asked that there not be any surprises like this next year.

VI Old Business None

VII New Business

1. Nadine- We need a rule for next year that no official after the green flag is thrown is to touch a car. The consensus was to adopt a rule like this.
